COLLEGE

**CO-CURRICULAR  
PROGRAMME**

SENIOR SCHOOL  
2020/2021

# WELCOME

We are pleased to announce our co-curricular programme for senior school pupils from Year 7 – 13.

The programme has been carefully put together to ensure that it supports our curriculum and provides a wide variety of opportunities so that every student can be involved and benefit.

The co-curricular life of a school is a place where students can make friends, go on adventures, learn new skills and forge lifelong passions.

# AIMS

We aim to provide a co-curricular programme that:

- + Gives students the opportunity to develop a sense of enjoyment and passion for life.
- + Encourages curiosity, critical thinking and a sense of adventure.
- + Builds individual character as well as a collaborative community spirit.
- + Provides opportunities for students to explore, experiment and excel at different activities.

# VALUES

We are committed to the following values in terms of how we approach every activity within the co-curricular life of the school

- |                           |                                                                                                        |
|---------------------------|--------------------------------------------------------------------------------------------------------|
| <b>Enthusiasm ...</b>     | Having the right attitude towards something makes all the difference                                   |
| <b>Participation ...</b>  | Keeping an open mind, trying something new and getting involved can lead to life-changing discoveries  |
| <b>Teamwork ...</b>       | Mutual respect, integrity, being dependable, considering and including others ensures that all succeed |
| <b>Responsibility ...</b> | Taking responsibility for our actions and making the most of every opportunity                         |
| <b>Ambition ...</b>       | Reaching beyond what we think is possible                                                              |

# PRIORITY TIMETABLE

The priority time table has been designed to help students to organise their involvement in the co-curricular program. Certain activities are given priority over others in the available time slots during the week.

So if, for example, a student is selected for a drama production and for a sports team, they would be able to take part in both activities without them clashing. It would also ensure they have other time slots available where they could opt in to one of the other clubs that are offered.

WEEK A & B	LUNCH		AFTER SCHOOL	
	7-9	10-13	7-9	10-13
MONDAY	Drama	Music	Other	Sport
TUESDAY	Sport	Other	Other	Music
WEDNESDAY	Music	Drama	Sport	Other
THURSDAY	Other	Music	Music	Sport
FRIDAY	Music	Other	Drama	Drama

Grey activities are a priority.

# CO-CURRICULAR ACTIVITIES & CLUBS

Students are able to take part in wide variety of sport, music and drama activities. In some of these, students are selected by staff to represent the school in formal sports fixtures, music evenings and drama productions.

There is also a wide variety of exciting and interesting clubs that students can be involved in.
